Licensee or its affiliates shall own all derivative works created by Licensee from the Content Provider Content, to the extent such is separable from the Content Provider Content.

- a. **Content Selection by Licensee.** With respect to the Content Provider Content, the Licensee shall have the right to determine, in its reasonable discretion, the Content Provider Content it

- b. **Content Modification by Licensee.** Licensee may modify and update the Content Provider Content as such modifications and/or updates are deemed necessary or desirable by Licensee. This includes but is not limited to modifications such as adding filters to photography, restructuring or rewording text, and reformatting GPS data.

5. **Termination**

- 5.1. **Termination for Cause.** This Agreement may not be terminated. The license to use Content Provider Content is valid indefinitely.

6. **Representations and Warranties.** Each party represents and warrants to the other party that:

- 6.1. it is duly organized, validly existing and in good standing as a corporation or other entity under the laws and regulations of its jurisdiction of incorporation, organization or chartering;
- 6.2. it has the full right, power and authority to enter into this Agreement, to grant the rights and licenses granted hereunder and to perform its obligations hereunder;

[A counterpart may be delivered to or by any party by any means, including by fax [or email]. If a party's signature is transmitted by fax [or in a PDF file by email], the signature on the counterpart creates a valid and binding obligation of the party executing it (or on whose behalf the signature is made) with the same effect as if the fax [or PDF] signature page were an original.]
